

## WASHINGTON LEARNS STEERING COMMITTEE

### THE ROAD MAP TO NOVEMBER

#### Major events

- June 14 Public Forum: The Economics of Investing in Education. Invite the national economists (Art Rolnick, Richard Simms, Anthony Carnevale, etc.) Lay the foundation for thinking about educational expenditures as investments with big returns
- October 9 Education Summit: Major education “summit” with a keynote speaker (Bill Gates???) and invited participants (e.g. chambers of commerce, business leaders, WEA and other education stakeholders, college presidents, private philanthropy, etc.). Purpose would be to invite feedback on Washington Learns proposed final report and build the drum roll toward November
